FOR NORTHFIELD
VILLAGE TRUSTEE

Dear neighbor,

I went to Middlefork and Sunset Ridge, and my wife and I came back to raise our two kids here. I'll push for the board to ask you, and the people who run our shops, before it makes major decisions. I want longtime neighbors to be glad they stayed, and young families glad they chose Northfield. Call or text me, even to tell me I'm wrong. I'll answer.

What I'd do

- Make the Village Center worth visiting for a whole afternoon
- Expand our library with full fiscal transparency and community input
- Make our streets safer and easier to walk
- Make the Village show up for families

ELECTION DAY **Tuesday, April 6, 2027** Three seats, three votes.
